TRUSTEES' REPORT FOR THE YEAR ENDED 31 AUGUST 2015

The trustees present their annual report together with the financial statements and auditor's reports of the charitable company for the period 1 September 2014 to 31st August 2015. The annual report serves the purpose of both a trustees' report and a directors' report under company law.

The trust operates one primary academy in the London Borough of Lewisham, Tidemill Academy. Its academy has a pupil capacity of 436 (including a 16 place Speech & Language Resource Base) and had 419 on roll in the school census on 31st October 2014. Tidemill is also the lead school in the Endeavour Teaching School alliance.

Structure, governance and management

a. CONSTITUTION

The academy trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association (dated 12 August 2011) are the primary governing documents of the academy trust. The trustees of REAch2Maritime Academy Trust are also the directors of the charitable company for the purpose of company law. The Charitable Company is known as REAch2Maritime Academy Trust.

The ultimate parent undertaking and controlling party is REAch2 Limited.

Details of the trustees who served during the year are included in the reference and administrative details on page 1.

The principal activity of the academy is to advance, for the public benefit, education in Lewisham by maintaining and operating REAch2 Maritime Academy Trust.

b. MEMBERS' LIABILITY

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amounts as may be required, not exceeding £10 for the debts and liabilities contracted before they ceased to be a member.

c. TRUSTEES' INDEMNITIES

Subject to the provisions of the Companies Act, every trustee or other officer of the charitable company shall be indemnified out of the assets of the charitable company against any liability incurred by them in that capacity in defending any proceedings, whether civil or criminal, in which judgment is given in favour or in which they are acquitted or in connection with any application in which relief is granted to them by the court from liability for negligence, default, breach of duty or breach of trust in relation to the affairs of the charitable company.

d. METHOD OF RECRUITMENT AND APPOINTMENT OR ELECTION OF TRUSTEES

The management of the academy is the responsibility of the trustees who are elected and co-opted under the terms of the articles of association and funding agreement as follows:-

- a) REAch2 Ltd.
- b) REAch2 Appointed Directors as REAch2 sees fit
- c) The Executive Principal (referred to as the Executive Director in the articles) is appointed by REAch2 as long as they remain in office
- d) One Academy Director, which will be a Chair of a Local Governing Body of an Academy within the Trust. Where there is more than one candidate, the Chairs will elect the Academy Director for a period of one

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2015

year.

- e) One Principal Director, which will be a Principal of an Academy within the Trust. Where there is more than one candidate the Principals will elect the Principal Director for a period of one year
- f) Directors co-opted by the Board
- g) A minimum of two parent trustees unless the Local Governing Bodies each have at least two Parent Trustees
- h) The Directors may also, with the consent of REAch2, appoint Staff Directors provided that the total number of Directors including any Executive Director or Principals who are employees of the Company does not exceed one third of the total number of Directors

The term of office for any trustee shall be four years. The Headteachers term of office runs parallel with their term of employment. Subject to remaining eligible to be a particular type of trustee any trustee may be reappointed or re-elected. The Academy Director and Principal Director are elected annually.

e. POLICIES AND PROCEDURES ADOPTED FOR THE INDUCTION AND TRAINING OF TRUSTEES

During the period under review, the REAch2Maritime Trustees held four board meetings. The Local Governing Body of Tidemill Academy held five full governing body meetings. The training and induction provided for new trustees depends on their experience. Where necessary an induction will provide training on charity and educational, legal and financial matters. All new trustees are given a tour of the academy and a chance to meet with staff and students. All trustees are provided with copies of policies, procedures, minutes, budgets, plans and other documents that they will need to understand their role as trustees and directors of the academy.

f. ORGANISATIONAL STRUCTURE

The academy has established a management structure to enable its efficient running. The structure consists of two levels: the trustees and the executives and who are the senior leadership team.

The governing body has considered its role thoughtfully and decided that the role of the trustees is to approve the strategic direction and objectives of the academy and monitor its progress towards these objectives.

The governing body has approved a scheme of delegation, which sets out a statement on the system of internal control, responsibilities, standing orders, a scheme of delegation and terms of reference.

The Headteacher is directly responsible for the day to day running of the academy and is assisted by the senior leadership team. Trustees are responsible for setting general policy, adopting an annual plan and budget, monitoring the academy by use of budgets and making major decisions about the direction of the academy, including capital expenditure and senior staff appointments.

The Headteacher assumes the role of the Accounting Officer.

g. CONNECTED ORGANISATIONS, INCLUDING RELATED PARTY RELATIONSHIPS

REAch2 Maritime Academy Trust has a strong working relationship with REAch2 Ltd. This relationship is defined through the Memorandum of Understanding that the Trust and REAch2 Ltd have agreed. REAch2 Ltd is a charity with the purpose:

"REAch2 (Raising Educational Achievement for Children) is an Academy Trust developed by Hillyfield Primary Academy. Its core mission is to create a family of primary academies that have strong reputations for delivering outstanding education for all pupils. In addition to this, the trust also provides a procurement framework that enables its member academies to access commercial services that ensure value for money and consistent quality. For these commercial services REAch2 Maritime Academy Trust has entered into agreements with commercial providers of back office services including: legal, payroll,

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2015

insurance, financial systems and accountancy services.

- "The mission and vision of REAch2 is set out in its mission and vision statement. In fulfilling this mission, REAch2 has established a network of academies who share a common vision and purpose. This Memorandum acknowledges the shared vision and the commitments that REAch2 and all the REAch2 Academy Trusts and their respective REAch2 Academies (the "Trust"), by signing this Memorandum, make to each other. The relationship between REAch2 and the Trust is intended to be mutually beneficial and reflects their wish to work together and to collaborate. Whilst there is no intention to create legally binding obligations in this Memorandum, it reflects the expectations that the parties have of each other."
- "The strength of the partnership between REAch2 and the Trust and the REAch2 Academies and more widely the REAch2 network of schools lies in the fact that all look outwards as well as inwards and the interaction with others provides challenge and opportunity as well as promotes best practice. Whilst it may be clear that the primary objective of this Memorandum is to provide mutual support, nothing in this Memorandum will prohibit either REAch2 or the Trust collaborating with other local and national networks."

On February 2014, a trading company was established, REAch2 Inspiration Ltd. REAch2 Inspiration Ltd is wholly and equally owned by the eleven charities that make up the REAch2 group, the 10 Multi-Academy Trusts (MATs) and REAch2 Ltd. Because REAch2 Inspiration Ltd is wholly owned by the 11 charities it will fully comply with the provision of services "at cost" principle, as any surpluses generated by the company would belong to the Multi Academy Trusts. The purpose for establishing REAch2 Inspiration Ltd is to allow a supply of the highest quality in house' services, at a low cost to our MATs and their Academies, ensuring budgets are optimized to benefit the education of children within REAch2 Academies and hence providing best value.

Tidemill Academy was awarded National Teaching School status in March 2013. The core alliance includes: Tidemill (lead school); Hillyfield Academy, Robert Fitzroy Academy and Aerodrome Academy, REAch2; The Institute of Education.

The academy trust secures value for money and consistent quality of support services through a combination of centrally procured and provided services. Services that are centrally procured by the academy trust but paid for directly by the academy are legal services, personnel, payroll, audit and responsible officer services. Services that are directly provided or procured by the academy trust from REAch2 Ltd and paid for by the academy through a 3.5% percentage retention of the academy's monthly EFA income include school improvement services and governance support.

Objectives and Activities

a. OBJECTS AND AIMS

The principal object and activity of the academy is to provide a broad and balanced education for pupils of all abilities in the Lewisham area.

The trustees have referred to the guidance issued by the Charity Commission in respect of public benefit when reviewing the aims and objectives of the academy.

In accordance with the articles of association, the Charitable Company has adopted a "Scheme of Government" approved by the Secretary of State for Education. The Scheme of Government is part of the wider "Master Funding Agreement" between the Company and the Secretary of State and "Supplemental Funding Agreements" for each academy. The funding agreement specifies, amongst other things, that the academies will be at the heart of their communities promoting community cohesion and sharing facilities, the basis for admitting students, the requirements for a broad and balanced curriculum with an emphasis on the needs of individual pupils including those with SEN and the basis for charging pupils.

b. OBJECTIVES, STRATEGIES AND ACTIVITIES

The academy has undertaken self-evaluation activities to correctly identify objectives for the next year. These objectives are:

Effectiveness of Leadership & Management

 To ensure continual high impact of middle leaders through development of subject leaders & phase leaders.

Quality of Teaching, Learning & Assessment

- To fully implement and embed assessment without levels.
- To lead other schools in developing and improving the educational opportunities for all children, as a National Teaching School (Endeavour Teaching School Alliance)

Personal Development, Behaviour & Welfare

- To improve punctuality across the school
- To improve pupil and parent knowledge and understanding of abuse and exploitation, including prevention, recognition of signs and reporting.

Outcomes for pupils

- Further reduce the gap between boys and girls at age-related expectation (met) in reading and writing in EYFS, KS1 & KS2.
- Further reduce the gap between disadvantaged and non-disadvantaged children at age-related expectation (met) in EYFS, KS1 & KS2
- Raise pupil attainment in Maths across the school.

The main activities for achieving objectives the academy will undertake will be:

- Use a range of professional development opportunities to develop middle leaders including mentoring, coaching, internal and external training and joining professional bodies.
- To embed assessment without levels (AWL) through REAch2 and Tidemill training sessions, five
 moderation sessions with cluster schools, monitor and review the effectiveness and accuracy of AWL
 making adjustments, as needed.
- Lead improvement in other schools through Endeavour Teaching School Alliance by planning and facilitating high quality professional development programmes, leading School Direct, training and brokering Specialist Leaders of Education, enabling schools to contribute to research and development.
- Improving punctuality by having an increased focus on tracking punctuality, increasing amount of support
 available from the family liaison officer, raising awareness with parents about the positive impact on
 learning and well-being of excellent punctuality.
- Increasing parent and pupil knowledge of ways to stay safe by leading workshops, using external experts, updating the Safeguarding Policy according to the Prevent strategy and running Safer School Week.
- Improving outcomes in maths, reading and writing through CPD and staff conference focus on accessing the raised expectations in the new curriculum, additional after school clubs for pupils, additional Saturday and Easter school, targeted parent workshops, increased 'Stay & Play' sessions from Nursery to year 2, World Book Week, 'buddy systems' for learning activities, targeted spending of the Pupil Premium Grant (see PPG Report). Tidemill will also be creating two new learning spaces to enable targeted group teaching.

The Academy's vision links with REAch2's vision to build an ethos of:

- Every child is capable of extraordinary achievement.
- · For any child to realise their inner potential they need an environment and adult role models that support

(A company limited by guarantee)

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2015

their love and enjoyment of learning.

- Every child has an absolute right to an equal opportunity to flourish in a REAch2 academy.
- Our pupils will develop the skills, knowledge and attitude to realise their own dreams through a positive contribution to their community and wider society.
- Self-realisation and positive contribution stem from a confidence and strength in one's own identity that
 allows us to embrace and respect the identity of other individuals and groups in our community and wider
 society.
- The long-term well-being of our pupils is dependent on a sustainable economy, society and environment. We need to teach our children to be able to contribute to achieving that sustainability as adults.
- It is the responsibility of all of the adult staff in REAch2 Academies to remove the barriers to each
 individual child's development and create the conditions in which they are able to love and enjoy learning.
- It is the responsibility of each REAch2 academy to reach out and raise and support the aspiration of their community to believe in their children's potential.

c. PUBLIC BENEFIT

In setting the objectives, the governors have given careful consideration to the Charity Commission's general guidance on public benefit and in particular to its supplementary public benefit guidance on advancing education. As an academy we make the best use of our skills, expertise and experience with regards to the local community. Some examples of this are:

- · Raising money for local, national and international charities
- Campaigning for road safety improvements
- Working with the council and police to improve safety on the square
- Working with local charities to provide ESOL classes for parents

The academy trust have complied with their duty to have due regard to the guidance on public benefit published by the charities commission.

b. KEY FINANCIAL PERFORMANCE INDICATORS

Tidemill Academy joined Reach2 Maritime as a converter academy in September 2013. Its previous inspection judged Overall Effectiveness to be 'outstanding'. Outcomes in July 2015, showed EYFS and KS1 pupils to be attaining in line with national (at a good level of development and age-related expectations), making good to outstanding progress. Outcomes for KS2 were largely at least in line with national, with many pupils attaining above this. Progress from KS1 to KS2 was significantly above national. The quality of teaching is 100% good or better with no inadequate. Attendance has remained above national averages as it has been for at least 8 years. The number of fixed term exclusions has remained similar with no permanent exclusions.

KS2

From 2013 to 2015, the proportions of pupils making 'expected' progress is at least in line with national and those pupils making 'more than expected' progress in reading, writing and maths was considerably higher than national. Attainment was at least in line with national averages with many pupils attaining above this (with the exception of maths at L4+ in 2015). Value added measures in 'all subjects' have been in the top 6% nationally (2013-2015). In 2015, from particularly low starting points, pupils have achieved strong outcomes with at least half the cohort making more than expected progress in reading, writing and maths.

KS1

The large majority of pupils made good or outstanding progress in reading, writing and maths, with most pupils making more than expected progress (except in year 2 maths last year where 45% made 'more than expected', 2015). All Tidemill children who achieved a good level of development in our Reception obtained 2b+ with the majority achieving above age related expectations. Despite the high levels of SEN in Year 2 in 2015, attainment at 'all subjects' has continued to rise. Attainment continues to improve over time in all subjects with attainment gaps closing significantly throughout the key stage. In 2015, when the attainment of the four pupils with significant learning needs are removed (EHCPs) from the cohort data, attainment in reading, writing and maths overall is broadly average.

Reception

Reception children generally start at a very low baseline and, due to the impact of the school's work, make outstanding progress over the school year (2013-2015). 100% of children who entered 'below' or 'at age related expectations' in reading, writing and maths achieved 'expected' or 'exceeding' against the early learning goals (2013-2015). Over 50% of our Reception pupils are new to Tidemill. In-school data analysis shows that pupils also make outstanding progress across the EYFS (Nursery baseline to Reception EYFSP*). All groups make excellent progress.

Despite this attainment is below national, but in line with, due to starting points. Under the new end of year assessment guidelines, the number of pupils who achieved a 'good level of development' was; 2013, 56%, 2014, 54% and 2015 60%. Due to targeted strategies, attainment over time has improved.

a. FINANCIAL REVIEW

During the period, EFA\LA grants totalled to £3,524,069 (2014: £3,300,649). Other income included within the restricted funds totalled to £142,908 (2014: £141,962). Restricted fund expenditure totalled to £3,541,509 (2014: £3,385,092).

The main source of unrestricted income is donations totalling £284 (2014:£0).

Most of the academy's income is obtained from the Education Funding Agency (EFA) in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the EFA during the 12 month period ended 31 August 2015 and the associated expenditure are shown as restricted funds in the Statement of Financial Activities.

(A company limited by guarantee)

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2015

The academy also received grants for fixed assets from the EFA. In accordance with the Charities Statement of Recommended Practice, "Accounting for Reporting by Charities" (SORP 2005), such grants are shown in the Statement of Financial Activities as restricted income in the fixed asset fund. The restricted fixed asset fund balance is reduced by annual depreciation charges over the expected useful life of the assets concerned. Under the Charities SORP, it is necessary to charge projected deficits on the Local Government Pension Scheme, which is provided to support staff, to a restricted fund. This results in reducing reserves shown in the total funds of the Academy. It should be noted that this does not present the Academy with any current liquidity problem. The employer contributions are currently being assessed and it is expected that they will increase to bring a further reduction in this pension deficit in future, although this may not be achieved until stock market investment values start to recover. Overall the academy has a healthy balance sheet and cashflow and will be using their reserves to support a rolling programme of ICT and furniture replacement, to further develop the learning environment through the building of two new intervention spaces and to fund additional resources

Following conversion to academy status the academy provided additional training for the School Business Manager and subsequently reviewed the structure to create a new Strategic Business Leader role in recognition of the additional levels of responsibility. Through the joining of REAch2Maritime, the school and the Board of Trustees also have access to the REAch2 Finance Director and the team of Regional Business Managers. Reviews have been undertaken of the financial processes and controls, budgets are reviewed and advice provided prior to budgets being proposed to the Board of Trustees and the REAch2 Finance Director has also made changes to the accounting package to improve forecasting and reporting. The Governors through the Resources Committee and Headteacher receive financial progress reports throughout the year and compare against budgets submitted to the Education Funding Agency. The Resources Committee also review longer term financial models (up to 5 years) to plan and organise resources most effectively to fulfil the aims of the academy.

b. RESERVES POLICY

The definition of reserves in the SORP is, 'that part of the charity's income funds that is freely available for its general purposes'. This definition of reserves therefore normally excludes:

Permanent endowment funds

detailed in the school development plan.

- · Expendable endowment funds
- Restricted income funds
- Any part of unrestricted funds not readily available for spending specifically income funds which could only be realised by disposing of fixed assets held for charitable use.

Reserves are therefore resources the academy has or can make available to spend for any or all of the academy's purpose once it has met its commitments and covered its other planned expenditure. More specifically reserves are income which becomes available to the academy and is to be spent at the trustees' discretion in furtherance of any of the academy's objects (sometimes referred to as 'general purpose' income) but which is not yet spent, committed or designated (ie is free).

The level of reserves held takes into account the nature of income and expenditure streams, the need to match them with commitments, including future capital projects, and the nature of reserves. The governors will keep this level of reserves under review during the coming year whilst the new intervention spaces are being built to ensure sufficient reserves remain to support the principle object of the academy.

Total reserves at the end of the period amounted to £11,333,685 (2014 £11,197,143) This balance includes unrestricted funds (free reserves) of £206,495 (2014 £204,421) which is considered appropriate for the academy trust bearing in mind the planned building works, and restricted funds of £11,127,190 (2014: £10,992,722).

Within the reserves policy users should note that, because of accounting for Local Government Pension Scheme (LGPS), the academy recognises a significant pension fund deficit totalling to £923,000 (2014 £884,000) This

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2015

deficit is included in restricted funds. This does not lead to an immediate liability for this amount. Similarly, if there was a pension surplus included in the restricted funds this would not create an immediately realisable asset that can be released straight away and expended for the specific purpose of that fund.

Users should note that a surplus or deficit position of the pension scheme would generally result in a cashflow effect of the academy trust in the form of an increase or decrease in employers' pension contributions over a period of years. The academy trust thus takes this fact into account when reviewing current business plans and budgets, and ascertaining how the pension costs might affect budgets in the future. On the basis that increased pension contributions should generally be met from the academy trusts budgeted annual income, whilst the deficit may not be eliminated there should be no actual cashflow deficit on the fund or direct impact on the unrestricted reserves of the academy trust due to the recognition of the deficit.

c. INVESTMENT POLICY

It should be noted that the academy trust has substantial powers with regards to investment due to cash balances held. Investment policies are determined at academy level, which is agreed by the local Governing Body. This ensures the level of funds the academy holds can cover any immediate expenditure, without exposing the Academies to additional risk. Should any potential Investment opportunity arise this would be escalated to the board for consideration. The most typical investments that are held by academies, are the Special Interest Deposit accounts which are immediately available to draw against as of 31st August 2015 no investment were held.

d. PRINCIPAL RISKS AND UNCERTAINTIES

The Companies Act 2006 s417(3b) requires disclosure of the principle risks and uncertainties facing a company. The Academy is exposed to a number of financial risks including credit, cashflow and liquidity risks. Given the Academy's exposure to financial instruments being limited, the exposure principally relates to bank balances, cash and trade creditors, with limited trade (and other) debtors. The academy's system of internal controls ensures risk is minimal in these areas.

A risk register has been established and is updated regularly. Where appropriate, systems or procedures have been established to mitigate the risks the academy faces. Internal control risks are minimised by the implementation of procedures for authorisation of all transactions and projects. The trustees have assessed the major risks to which the academy is exposed, in particular those relating to the specific teaching, provision of facilities and other operational areas of the Academy, and its finances. The governors have implemented a number of systems to assess risks that the school faces, especially in the operational areas (e.g. in relation to teaching, health and safety, bullying and school trips) and in relation to the control of finances. They have introduced systems, including operational procedures (e.g. vetting of new staff and visitors, supervision of school grounds) and internal financial controls (see below) in order to minimise risk. Where significant financial risk still remains they have ensured they have adequate insurance cover.

The academy has an effective system of internal financial controls and this is explained in more detail in the Governance Statement.

It should also be noted that procedures are in place to ensure compliance with health and safety of staff and pupils.

Please refer to the reserves policy above for the description of the defined benefit of the pension scheme which there was a deficit at 31st August 2015.

Plans for future periods

a. FUTURE DEVELOPMENTS

The multi academy trust transferred its trade, assets and liabilities to a fellow subsidiary multi academy trust on 1 September 2015 and ceased trading on this date. All assets and liabilities were transferred to the fellow subsidiary at their carrying amounts. The funding agreement between transferee multi academy trust and the ultimate controlling party, REAch2 Limited, remains unchanged at 1 September 2015, albeit under a different group structure.

FUNDS HELD AS CUSTODIAN TRUSTEE ON BEHALF OF OTHERS

The academy trust and its trustees did not act as a custodian trustee during the current or previous period.

DISCLOSURE OF INFORMATION TO AUDITORS

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charitable company's auditors are unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of
 any relevant audit information and to establish that the charitable company's auditors are aware of that
 information.

This report, incorporating the Strategic report, was approved by order of the board of trustees and the Strategic Report (included therein), as the company directors, on 22 December 2015 and signed on the board's behalf by:

Steve Lancashire Chair of Trustees

GOVERNANCE STATEMENT

SCOPE OF RESPONSIBILITY

As trustees, we acknowledge we have overall responsibility for ensuring that Reach2Maritime Academy Trust has an effective and appropriate system of control, financial and otherwise. However such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The board of trustees has delegated the day-to-day responsibility to the Tidemill Principal, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Reach2Maritime Academy Trust and the Secretary of State for Education. They are also responsible for reporting to the board of trustees any material weaknesses or breakdowns in internal control.

GOVERNANCE

Board of Directors

The information on governance included here supplements that described in the Trustees' report and in the Trustees' responsibilities statement. The board of trustees has formally met 4 times during the year. Attendance during the year at meetings of the board of trustees was as follows:-

| Trustee | Meetings attended | Out of a possible |
|--|-------------------|-------------------|
| David Mason (Chair) | 4 | 4 |

| Paul Doherty (Community Governor) | 3 | 5 |
| Lisa Turner (Staff Governor) | 4 | 5 |
| Carl Vernalls (Staff Governor) | 5 | 5 |

The Governing Body at Tidemill Academy has also established two Governing Body Committees. The impact of each Committee is reviewed and monitored through the headline document that each committee reviews and produces on a termly basis. The trustees also performed a self-evaluation review of governance during the year.

GOVERNANCE STATEMENT (continued)

Key findings, actions taken and their impact are addressed and resolved by the academy.

Resources Committee

The Resources Committee purpose is to monitor the financial, personnel and premises reports, consider the academy budget proposal and review the internal financial control and risk management systems. No significant issues to note were dealt during the year. The committee met six times during the year. Attendance at the meetings in the year was as follows:-

| Governor | Meetings Attended | Out of Possible |
|----------------------------------|----------------------|-----------------|
| Abi Coman-Walker (Chair) | 5 | 6 |
| Jonathan Mayes (Vice Chair) | 3 | 6 |
| David Mason (Chair of Governors) | 3 | 6 |
| Emma Jones | 4 | 5 . |
| Paul Doherty | 4 | 6 |
| Lorraine Stewart (Principal) | 6 | 6 |

Standards & Community Committee

The Standards & Community Committee review the academic achievement and school standards including any matters relating to the school's curriculum, oversee arrangements for individual trustees to take a leading role in specific areas of provision eg Safeguarding, SEN, Pupil Premium, Literacy, Numeracy, review the school's admission arrangement and policy and to review parental engagement and feedback. No significant issues to note were dealt with during the year. The committee met three times during the year. Attendance at the meetings in the year was as follows:-

REVIEW OF VALUE FOR MONEY

As accounting officer, the Principal has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the trust's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where available. The accounting officer for the academy trust has delivered improved value for money during the year by:

 Moving away from centralised functions being outsourced to having a dedicated team who are centrally employed. This will enable more focus on our academies and a more proactive approach being taken.

GOVERNANCE STATEMENT (continued)

- Focus for the next year will be around procurement of services that will benefit our academies by achieving better quality, delivering economies of scale and consistent outcomes across our academies.
- Educational outcomes have improved by having a bespoke assessment system, which is monitored and reviewed regularly when looking at outcomes for children and the targeted focused need to ensure that children are realising their potential.

THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of Academy Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Reach2Maritime Academy Trust for the year 1 September 2014 to 31 August 2015 and up to the date of approval of the annual report and financial statements.

CAPACITY TO HANDLE RISK

The board of trustees has reviewed the key risks to which the Academy Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the Academy Trust's significant risks, that has been in place for the year 1 September 2014 to 31 August 2015 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

THE RISK AND CONTROL FRAMEWORK

The Academy Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of trustees;
- regular reviews by the finance and general purpose committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes:
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines.
- delegation of authority and segregation of duties;
- identification and management of risks.

The RO's role included giving advice on financial matters and performing a range of checks on the academy's financial systems. On a quarterly basis, the RO reports to the governing body on the operation of the system of control and on the discharge of the governing body' financial responsibilities.

The board of trustees has considered the need for a specific internal audit function and has decided to appoint Dean Ashton as internal auditor, who in turn has delegated the testing to an internal provider, Strictly Education to perform the role of RO. Formal reports are issued to the internal auditor for review and consideration.

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the Academy Trust's financial systems. In particular the checks carried out in the current period included:

· testing of payroll systems

GOVERNANCE STATEMENT (continued)

- testing of purchase systems
- testing of control accounts / bank accounts
- testing of compliance with the scheme of delegation and internal controls

On a quarterly basis, the internal auditor, Dean Ashton, reports to the board of trustees, through the risk and audit committee on the operations of the system of control and on the discharge of the board of trustees' financial responsibilities.

The board can confirm that the internal auditor has delivered their schedule of work as planned, provided details of any material control issues arising as a result of their work. During the current and previous period, there were no material control issues and thus no remedial action was required to be taken.

REVIEW OF EFFECTIVENESS

As accounting officer, the Executive Principal has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the work of the external auditors;
- the work of the executive managers within the Academy Trust who have responsibility for the development and maintenance of the internal control framework.

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the risk and audit committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE

As accounting officer of Reach2Maritime Academy Trust I have considered my responsibility to notify the Academy Trust board of trustees and the Education Funding Agency of material irregularity, impropriety and non-compliance with EFA terms and conditions of funding, under the funding agreement in place between the Academy Trust and the Secretary of State. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook (2014).

I confirm that I and the Academy Trust board of trustees are able to identify any material, irregular or improper use of funds by the Academy Trust, or material non-compliance with the terms and conditions of funding under the Academy Trust's funding agreement and the Academies Financial Handbook (2014).

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and EFA.

TRUSTEES' RESPONSIBILITIES STATEMENT FOR THE YEAR ENDED 31 AUGUST 2015

The Trustees (who act as governors of Reach2 Maritime Academy Trust and are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' report (including the Strategic report) and the financial statements in accordance with the Annual Accounts Direction issued by the Education Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from EFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF REACH2MARITIME ACADEMY TRUST

We have audited the financial statements of Reach2Maritime Academy Trust for the year ended 31 August 2015 which comprise the Statement of financial activities, the Balance sheet, the Cash flow statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and the Academies Accounts Direction 2014 to 2015 issued by the Education Funding Agency.

This report is made solely to the academy's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the academy's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the academy and its members, as a body, for our audit work, for this report, or for the opinion we have formed.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND AUDITORS

As explained more fully in the Trustees' responsibilities statement, the Trustees (who are also the directors of the academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the academy's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Trustees' report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements:

- give a true and fair view of the state of the academy's affairs as at 31 August 2015 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 and the Academies Accounts Direction 2014 to 2015 issued by the Education Funding Agency.

EMPHASIS OF MATTER - GOING CONCERN

In forming our opinion on the financial statements, which is not modified, we have considered the adequacy of the disclosure made in note 1.5 to the financial statements concerning the company's ability to continue as a going concern. The company ceased trading on 1 September 2015 and transferred its trade, assets and liabilities to a fellow subsidiary on this date. The financial statements do not include the adjustments that would

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF REACH2MARITIME ACADEMY TRUST

result if the company was unable to continue as a going concern. All assets and liabilities were transferred to the fellow subsidiary at their carrying amounts.

OPINION ON OTHER MATTER PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion the information given in the Trustees' report, incorporating the Strategic report, for the financial year for which the financial statements are prepared is consistent with the financial statements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

INDEPENDENT REPORTING ACCOUNTANTS' ASSURANCE REPORT ON REGULARITY TO REACH2MARITIME ACADEMY TRUST AND THE EDUCATION FUNDING AGENCY

In accordance with the terms of our engagement letter dated 29 May 2014 and further to the requirements of the Education Funding Agency (EFA) as included in the Academies Accounts Direction 2014 to 2015, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Reach2Maritime Academy Trust during the year 1 September 2014 to 31 August 2015 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Reach2Maritime Academy Trust and EFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Reach2Maritime Academy Trust and EFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Reach2Maritime Academy Trust and EFA, for our work, for this report, or for the conclusion we have formed.

RESPECTIVE RESPONSIBILITIES OF REACH2MARITIME ACADEMY TRUST'S ACCOUNTING OFFICER AND THE REPORTING ACCOUNTANT

The accounting officer is responsible, under the requirements of Reach2Maritime Academy Trust's funding agreement with the Secretary of State for Education dated 1 September 2011, and the Academies Financial Handbook extant from 1 September 2014, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2014 to 2015. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2014 to 31 August 2015 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

APPROACH

We conducted our engagement in accordance with the Academies Accounts Direction 2014 to 2015 issued by EFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy's income and expenditure.

The work undertaken to draw to our conclusion includes:

- · review of management reporting documents.
- review of Trustees/Governors meeting minutes.
- confirming compliance with the Academy Trust's Scheme of Delegation.
- · compliance with delegated authorities.
- · consideration of whether any personal benefit has been derived from the Academy Trust's transactions

by staff or related parties.

· adherence to tendering policies.

CONCLUSION

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the year 1 September 2014 to 31 August 2015 have not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2015

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value. The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP), 'Accounting and Reporting by Charities' published in March 2005, the Academies Accounts Direction 2014 to 2015 issued by EFA, applicable accounting standards and the Companies Act 2006.

1.2 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received and include grants from the Department for Education.

Investment income, gains and losses are allocated to the appropriate fund.

1.3 Incoming resources

All incoming resources are included in the Statement of financial activities when the academy has entitlement to the funds, certainty of receipt and the amount can be measured with sufficient reliability.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the year for which it is receivable and any unspent amount is reflected as a balance in the restricted general fund.

Capital grants are recognised when receivable and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

Sponsorship income provided to the academy which amounts to a donation is recognised in the Statement of financial activities in the period in which it is receivable, where there is certainty of receipt and it is measurable.

The value of donated services and gifts in kind provided to the academy are recognised at their open market value in the period in which they are receivable as incoming resources, where the benefit to the academy can be reliably measured. An equivalent amount is included as expenditure under the relevant heading in the Statement of financial activities, except where the gift in kind was a fixed asset in which case the amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy's policies.

(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2015

1. ACCOUNTING POLICIES (continued)

Donations are recognised on a receivable basis where there is certainty of receipt and the amount can be reliably measured.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

1.4 Resources expended

Expenditure is recognised in the period in which a liability is incurred and has been classified under headings that aggregate all costs related to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Charitable activities are costs incurred in the academy's educational operations.

Governance costs include the costs attributable to the academy's compliance with constitutional and statutory requirements, including audit, strategic management and Trustees' meetings and reimbursed expenses.

All resources expended are inclusive of irrecoverable VAT.

1.5 Going concern

As explained in note 27, the multi academy trust transferred its trade, assets and liabilities to a fellow subsidiary multi academy trust on 1 September 2015 and has ceased trading. As required by FRS18 Accounting Policies, the directors have prepared the financial statements on the basis that the multi academy trust is no longer a going concern. No material adjustments arose as a result of ceasing to apply the going concern basis. All assets and liabilities were transferred to the fellow subsidiary at their carrying amounts.

1.6 Tangible fixed assets and depreciation

All assets costing more than £2,000 are capitalised.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance sheet at cost and depreciated over their expected useful economic life. The related grants are credited to a restricted fixed asset fund in the Statement of financial activities and are carried forward in the Balance sheet. Depreciation on such assets is charged to the restricted fixed asset fund in the Statement of financial activities so as to reduce the fund over the useful economic life of the related asset on a basis consistent with the academy's depreciation policy. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Short-term leasehold property

50 years

Fixtures and fittings

4 years

Computer equipment

3 years

(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2015

1. ACCOUNTING POLICIES (continued)

1.7 Taxation

The academy is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.8 Pensions

Retirement benefits to employees of the academy are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes and the assets are held separately from those of the academy.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quinquennial valuations using a prospective benefit method. As stated in note 26, the TPS is a multi-employer scheme and the academy is unable to identify its share of the underlying assets and liabilities of the scheme on a consistent and reasonable basis. The TPS is therefore treated as a defined contribution scheme and the contributions recognised as they are paid each year.

The LGPS is a funded scheme and the assets are held separately from those of the academy in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and gains and losses on the settlements and curtailments. They are included as part of staff costs. Past service costs are recognised immediately in the Statement of financial activities if the benefits have vested. If the benefits have not vested immediately, the costs are recognised over the period vesting occurs. The expected return on assets and the interest cost are shown as a net finance amount of other finance costs or credits adjacent to interest. Actuarial gains and losses are recognised immediately in other gains and losses.

14. RELATED PARTY TRANSACTIONS- TRUSTEES' REMUNERATION AND EXPENSES

One or more trustees has been paid remuneration or has received other benefits from an employment with the academy trust. The principal and other staff trustees only receive remuneration in respect of services they provide undertaking the roles of principal and staff members under their contracts of employment, and not in respect of their role as trustees. The value of trustees' remuneration and other benefits was as follows:

Lorraine Stewart (Headteacher & Accounting Officer): Remuneration £80,000 - £85,000 (2014: £80,000 - £85,000) Employer's pension contributions £10,000 - £15,000 (2014: £10,000 - £15,000)

During the year, no Trustees (2014: 1 Trustee) received any reimbursement of expenses (2014: £339).

15. TRUSTEES' AND OFFICERS' INSURANCE

In accordance with normal commercial practice the academy has purchased insurance to protect Governors and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business. In the prior year, the insurance provided cover up to £ 1,000,000 on any one claim and the cost for the period ended 31 August 2014 was £1,325. In the current period, the academy joined the Risk Protection Arrangement on 1 September 2014. The cost of this insurance is £25 per pupil, which cannot be divided into cover sections. The cost of this insurance totalled to £10,905 is included in the total insurance cost.

26. PENSION COMMITMENTS

The academy's employees belong to two principal pension schemes: the Teacher's Pension Scheme for England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by London Borough of Lewisham. Both are defined benefit schemes.

The pension costs are assessed in accordance with the advice of independent qualified actuaries. The latest actuarial valuation of the TPS related to the period ended 31 March 2012 and of the LGPS 31 August 2015.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

Not less than every four years the Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the

26. PENSION COMMITMENTS (continued)

level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 16.48% of pensionable pay (including a 0.08% employer administration charge (currently 14.1%);
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%

During the year the employer contribution rate was 14.1%. The TPS valuation for 2012 determined an employer rate of 16.4% from September 2015, which will be payable during the implementation period until the next valuation as at March 2016, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

The pension costs paid to TPS in the period amounted to £151,012 (2014: £153,654).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in Financial Reporting Standard (FRS 17) Retirement Benefits, the TPS is a multi-employer pension scheme. The academy has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit scheme, with assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2015 was £148,000, of which employer's contributions totalled £116,000 and employees' contributions totalled £32,000. The agreed contribution rates for future years are 20.6% for employers and 5.5% - 8.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.
